KONCEPT

The Ultimate Minimalist

Lady7

Designers Kenneth Ng, Edmund Ng

Good Design Award (Japan) 2014 Spark Award 2014 Interiors & Sources Readers' Choice 2014 iF Design Award 2015

Designed with a wispy-thin silhouette, Lady7 emits a beautifully diffused, linear light. This timeless piece is available as a desk lamp or floor lamp. The body features a telescopic mechanism to adjust its height. The light is dimmable and its color tunable from cool to warm. With its contemporary, clean lines, Lady7 is a gorgeous task light for any interior.

Desk Floor Lumens: 300 Footcandles: 100 Lux: 1080

Energy Consumption: 6.5 W. 9 hour auto-shutoff timer.

Rated Lifespan: 50,000 hours

Color Rendering Index (CRI): 83

Brightness Adjustability: Continuous dimming (touchstrip)

Material: Aluminum, plastic USB port: Built-in; 1A Safety Rating: C-UL-US Certified

Warranty: 5 years Voltage: 120V

Standard Finishes: Matte Red, Matte White, Metallic Black, Silver

Lady7 Desk Lamp

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Koncept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Koncept lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.

Photometrics: Light source placed 15" away from work surface
